

Hostilities in the Gaza Strip and Israel - reported impact | Day 224

17 May 2024

Figures that are yet-to-be verified by the UN are attributed to their source. Casualty numbers have been provided by the Ministry of Health or the Government Media Office (GMO) in Gaza and the Israeli authorities. Previous data breakdowns provided in this snapshot of women and children killed were attributed to the GMO based on reported fatalities. The fatality breakdowns currently cited are those that the Ministry of Health (MoH) in Gaza has recently fully identified out of the higher number of casualties they report.
