No	Date	Location	Violation Description	Category and Applicable IHL
1	Oct. 7th	Huwwara Checkpoint, Nablus	The ambulance crew (3 people) were denied movement through the Huwwara checkpoint and were detained for over half an hour. The crew had to resort to Awarta checkpoint which was closed with an iron gate. After over an hour and coordination efforts, the crew were granted passage.	Delayed Movement
2	Oct. 7th	Awarta Checkpoint, Nablus	The ambulance crew was delayed for 20 minutes while transporting a live ammunition casualty	Delayed Movement
3	Oct. 7th	Beit Furik, Nablus	The ambulance crew was delayed for 12 minutes at Beit Furik checkpoint on the way to Beit Furik	Delayed Movement
4	Oct. 7th	Beit Furik, Nablus	The ambulance crew was delayed for over 20 minutes at Beit Furik checkpoint on the way to Beit Furik	Delayed Movement
5	Oct. 8th	Huwwara Checkpoint, Nablus	The ambulance crew was delayed for over 28 minutes at Huwwara checkpoint	Delayed Movement
6	Oct. 8th	Bethlehem	On the way to Beit Fajjar village, the Israeli Occupation forces detained the ambulance vehicle for over 25 minutes	Delayed Movement
7	Oct. 8th	Nablus	On the way to Qaryut, the ambulance crew's movement was impeded for a few minutes, then they were stopped and the ambulance vehicle was inspected on Ainabus roundabout. (Total impediment time: 10 minutes)	Delayed Movement Crew Harassment
8	Oct. 8th	Awarta Checkpoint, Nablus	The ambulance crew's return to the Nablus ambulance center from Beita was blocked due to the closure of Awarta checkpoint in absence of any soldiers . Despite coordination with the Red Cross, the checkpoint was not opened, forcing the crew to return to the Beita ambulance Center	Denied Access

9	Oct. 8th	Nablus	While transporting a live ammunition neck casualty, the ambulance crew could not pass through Awarta checkpoint due to its closure. After contacting the Red Cross, the crew was asked to head to the Huwwara checkpoint where the crew was delayed for a few minutes before opening the checkpoint for their passage. (Total impediment time: 10 minutes)	Delayed Movement
10	Oct. 8th	Beita, Nablus	While attempting to return to Nablus after confrontations between Palestinians and Israeli Occupation forces ended in Beita, the Occupation forces blocked the ambulance crew's movement by using laser lights and firing pre-emptive bullets, forcing them to go back to Beita.	Denied Access
11	Oct. 8th	Ramallah, near Beit El illegal settlement outpost	The Israeli Occupation forces directly targeted the ambulance vehicle by firing live ammunition despite the fact that the vehicle was parked in a safe place. The live bullet penetrated and damaged the body of the vehicle.	Attack on Vehicle
12	Oct. 9th	Nablus	On the way to transport a casualty—a 60-year-old man with kidney disease—at Huwwara checkpoint, the ambulance vehicle was stopped and inspected by the Israeli Occupation forces. The 2-man crew was also detained for 10 minutes. After coordinating with the Red Cross and being delayed another 15 minutes , the casualty was received and transported.	Crew Harassment Delayed Movement
13	Oct. 9th	Ramallah	On the way to cover confrontations in Mazraa' Gharbiya village, the Israeli Occupation forces stopped the ambulance vehicle and ordered the crew to step out. The crew was subsequently beaten and violently laid on the ground before the occupation confiscated their phones and threatened to kill them. Finally, the crew was detained for half an hour and their phones remained confiscated.	Crew Harassment Delayed Movement
14	Oct. 9th	Jalameh checkpoint, Jenin	The Israeli Occupation forces directly targeted the ambulance vehicle by firing live ammunition despite the fact that the vehicle was parked in a safe place. The live bullet penetrated and damaged the body of the	Attack on Vehicle

			vehicle.	
15	Oct. 9th	Huwwara, Nablus	While covering the escalations in Huwwara, a band of Israeli settlers attacked the ambulance vehicle by throwing rocks, leading to damages to the exterior body of the vehicle. The Israeli Occupation forces also denied the crew from covering the events in the area.	Attack on Vehicle Denied Access
16	Oct. 9th	Nablus	The ambulance crew's movement was impeded on their way to aid a case of sickness.	Delayed Movement
17	Oct. 10th	Bethlehem	On the entrance to Beit Fajjar village, the Israeli Occupation forces detained an ambulance vehicle for 50 minutes. Despite the fact that there was a kidney patient in the vehicle, the crew was denied movement.	Denied Access Patient Harassment
18	Oct. 10th	Jalameh Checkpoint, Jenin	The ambulance crew was delayed for 10 minutes on their way to Jalameh checkpoint.	Delayed Movement
19	Oct. 10th	Ramallah	The Israeli Occupation forces directly targeted the ambulance vehicle by firing live ammunition near the entrance of Al-Bireh, leading to damages to the body of the vehicle.	Attack on Vehicle
20	Oct. 11th	Nablus	The Israeli Occupation forces impeded the arrival of the ambulance crew to Nablus to tend to a 4-year-old girl who choked on gas.	Delayed Movement
21	Oct. 12th	Bethlehem	The Israeli Occupation forces denied the ambulance crew access to Beit Ummar village on their way to Bethlehem.	Denied Access
22	Oct. 12th	Hebron	On their way to tend to a casualty, the Israeli Occupation forces denied the crew's movement, threatened the crew with weapons, and forced them out of the vehicle for inspection.	Crew Harassment Denied Access
23	Oct. 12th	Qalqilya	The Israeli Occupation forces denied the ambulance vehicle's access to Qalqilya Hospital, fired pre-emptive bullets in the air as a means of threat, and attacked the crew.	Denied Access Crew Harassment
24	Oct. 12th	Qalqilya	The Israeli Occupation forces denied the crew's access to tend to casualties in Jayyus village.	Denied Access

25	Oct. 13th	Salfit	The Israeli Occupation forces denied the ambulance vehicle's movement to Salfit while transporting a pregnant woman from Bidia village.	Denied Access Patient Harassment
26	Oct. 13th	Nablus	The ambulance vehicle was detained and the crew's movement was denied at Beit Furik checkpoint, on the way to cover escalations.	Crew Harassment Denied Access
27	Oct. 13th	Nablus	The Israeli Occupation forces denied the crew's access to the main street in Huwwara. Despite coordinating with the Red Cross, the denial was sustained, forcing the crew to resort to another road to reach Usrin village.	Denied Access
28	Oct. 13th	Nablus	On their way from Nablus ambulance center to Beit Furik village to cover the escalation in the area, the Israeli Occupation forces detained the crew at the entrance of the village and delayed its movement for an hour.	Crew Harassment Denied Access
29	Oct. 13th	Tulkarm	While the ambulance crew evacuated casualties from a private car, the Israeli Occupation forces opened fire in the area as the crew transported the final casualty suffering from a severe head injury. The crew had to shield themselves behind vehicles until the shooting ceased, enabling them to finally evacuate.	Crew Harassment Patient Harassment Denied Access
30	Oct. 13th	Tulkarm	The Israeli Occupation forces opened fire at the ambulance crew (while standing in a safe area to cover the events) which led to a bullet penetrating the backdoor of the ambulance vehicle.	Crew Harassment Attack on Vehicle
31	Oct. 14th	Nablus	Upon arrival to transport a live ammunition casualty at Huwwara checkpoint, the Israeli Occupation forces denied the ambulance crew access to the casualty and pointed their weapons at them. They were then ordered to reverse and informed that the Occupation army's ambulance would deal with the casualty.	Denied Access Crew Harassment Patient Harassment
32	Oct. 14th	Hebron	The Occupation forces denied the ambulance crew's movement and pointed their weapons at them. They also threatened to open fire if they did not evacuate the area.	Denied Access Crew Harassment

33	Oct. 17th	Nablus	The Israeli Occupation forces stopped the ambulance vehicle in Al-Quds Street and opened all of its doors for inspection. One of the volunteers in the ambulance was forced to take his bulletproof vest and to step out of the vehicle. The crew's movement was denied and they were diverted to another street.	Crew Harassment Denied Access
34	Oct. 18th	Nablus	On the way to cover confrontations in Madma and Jammain area, Israeli settlers had spread nails down the road leading to the wheel's dysfunction and inability to continue the road.	Attack on Vehicle
35	Oct. 18th	Ramallah FATAL CASE	The ambulance crew's movement was denied on their way to transport a bleeding man. Due to this denial, the man bled to death.	Denied Access Patient Harassment MURDER
36	Oct. 19th	Beita, Nablus	On the ambulance crew's way to aid a case of diabetes in Beita, the Israeli Occupation forces stopped the ambulance vehicle near the house and denied the crew's entry to the house. After coordinating with the Red Cross, the crew was granted access. Total impediment time: 15 minutes	Delayed Movement
37	Oct. 19th	Nur Shams Refugee Camp, Tulkarm	On the ambulance crew's way to tend to casualties at Nur Shams Refugee Camp, the Israeli Occupation forces stopped and detained the ambulance vehicle with its crew, took the crew's IDs and delayed them for 17 minutes.	Crew Harassment Delayed Movement
38	Oct. 19th	Nur Shams Refugee Camp, Tulkarm	While transporting a kidney disease patient during an Israeli raid on Nur Shams Refugee Camp, the Israeli Occupation forces detained the ambulance, its crew, and the patient. The patient was taken into the army's vehicle and interrogated for around 40 minutes (despite being informed that he is ill). After releasing the patient, the ambulance was granted movement.	Crew Harassment Patient Harassment Delayed Movement
39	Oct. 19th	Nur Shams Refugee Camp,	While transporting a man with a severe head injury from Nur Shams Refugee Camp, the ambulance crew was detained at the entrance	Denied Access Patient

		Tulkarm	of the camp and the Israeli Occupation forces transported the man from the ambulance vehicle to the army's vehicle. The Occupation Forces subsequently denied the ambulance crew from further aiding the man.	Harassment
40	Oct. 19th	Nur Shams Refugee Camp, Tulkarm	While covering the confrontations in Nur Shams Refugee Camp, ambulance vehicles were detained at the entrance of the camp and the ambulance crew's cards were taken for inspection. The ambulance crews were also given specific instructions on where to enter and exit the camp. After this delay, the ambulance crews were granted entry to the camp.	Crew Harassment Delayed Movement
41	Oct. 19th	Nur Shams Refugee Camp, Tulkarm	On their way to Nur Shams Refugee Camp, the ambulance crew's movement was impeded and the Israeli Occupation forces blocked the road the ambulance was using. Afterwards, the army vehicle directly targeted and crashed into the ambulance, leading to damages on the exterior body of the vehicle.	Delayed Movement Attack on Vehicle
42	Oct. 19th	Nur Shams Refugee Camp, Tulkarm	On their way to transport a fainted patient at Nur Shams Refugee Camp, the Israeli Occupation forces detained the ambulance crew, ordered them to step out of the car, and confiscated their phones. The Occupation forces also used the crew as human shields for about 73 minutes.	Crew Harassment Delayed Movement
43	Oct. 20th	Nur Shams Refugee Camp, Tulkarm	During a raid on Nur Shams Refugee Camp, one of our ambulances was called to tend to a woman in labor. The ambulance crew coordinated with the Red Cross and the crew was instructed to take specific roads. The Israeli Occupation forces detained and inspected the crew's IDs at 4 different locations for 15 minutes each time. After being granted access to enter the camp, its internal roads were closed, blocking access to the patient who had to meet the crew.	Crew Harassment Delayed Movement Patient Harassment

44	Oct. 20th	Khader Village, Bethlehem	Upon arrival to transport a bleeding man, the ambulance vehicle was detained under gun threats by the Israeli Occupation forces. Only one of the ambulance crew members was allowed to tend to the patient to perform first aid. The ambulance vehicle remained detained for 30 minutes before the Occupation forces granted the crew access to transport the patient to the hospital.	Crew Harassment Delayed Movement Patient Harassment
45	Oct. 21st	Bethlehem	The ambulance vehicle was denied access to tend to a gunshot casualty by the Israeli Occupation forces. The Occupation army's vehicle also attempted to crash into the ambulance vehicle as a means of intimidation.	Denied Access Attack on Vehicle Patient Harassment
46	Oct. 21st	Bethlehem	On the way to transport a patient, the ambulance vehicle was detained for over an hour at Al-Nishnash checkpoint. After receiving the patient, the Israeli Occupation denied the ambulance access to Bethlehem and delayed the crew with the patient for over 2 hours.	Delayed Movement Patient Harassment
47	Oct. 23rd	Jalazon Refugee Camp, Ramallah	The Israeli Occupation forces denied the ambulance vehicle access to Jalazon Refugee Camp, threatened the crew with guns, and forced the crew to leave.	Crew Harassment Denied Access
48	Oct. 25th	Qalandya Refugee Camp, Ramallah	On the way to tend to casualties, the ambulance vehicle was detained for 50 minutes and threatened with guns before being granted access to the camp by the Israeli Occupation forces.	Crew Harassment Delayed Movement
49	Oct. 26th	Tayaseer, Tubas	The ambulance vehicle was targeted by Israeli Occupation forces' rubber bullets, leading to exterior body damage to the vehicle.	Attack on Vehicle
50	Oct. 26th	Tubas	While transporting a live ammunition casualty, Israeli Occupation forces directly targeted the back of the ambulance vehicle with two live bullets.	Attack on Vehicle

51	Oct. 27th	Jenin	Upon stepping out of the ambulance vehicle to transport a casualty, the ambulance crews were faced with random and heavy gunfire by the Israeli Occupation forces. The left side of the ambulance vehicle was hit with two bullets.	Crew Harassment Attack on Vehicle
52	Oct. 27th	Beit Ummar Checkpoint, Hebron	The Israeli Occupation forces closed Beit Ummar checkpoint with closing gates, denying access to Beit Ummar and forcing the ambulance vehicle to return to its center.	Denied Access
53	Oct. 27th	Qalqilya	While covering the escalations at the northern entrance of Qalqilya, the ambulance vehicle was parked in a safe place; the Israeli Occupation forces used the ambulance vehicle as a shield. This led to an impediment on the crew's movement for over 15 minutes.	Crew Harassment/ Vehicle Shield Delayed Movement
54	Oct. 29th	Askar Refugee Camp, Nablus	On the way to transport a live ammunition casualty near Askar Club, the Israeli Occupation forces' army vehicle attacked the ambulance vehicle, launching into it and leading to exterior body damages to the front of the ambulance vehicle.	Attack on Vehicle
55	Oct. 29th	Askar Refugee Camp, Nablus	On the way to transport a casualty, the Israeli Occupation forces opened fire at the ambulance vehicle and denied the crew's access to the casualty.	Attack on Vehicle Denied Access Patient Harassment
56	Oct. 30th	Dheisheh Refugee Camp, Bethlehem	The Israeli Occupation forces opened fire at the ambulance vehicle, denying the crew access to tend to a live ammunition casualty.	Attack on Vehicle Denied Access Patient Harassment
57	Oct. 31st	Nablus	While performing first aid on a casualty, the Israeli Occupation forces attacked and beat the ambulance crew. The Occupation forces also delayed the ambulance vehicle to inspect the casualty's ID.	Crew Harassment Delayed Movement

				Patient Harassment
58	Oct. 31st	Yamoon Village, Jenin	On the way to transport a woman in labor from the entrance of Yamoon village to the Jenin Governmental Hospital, the Israeli Occupation forces impeded the movement of the ambulance vehicle by closing multiple roads, diverting the movement of the vehicle. On the way to Al-Amal Hospital, the Israeli Occupation's army vehicle attacked the ambulance vehicle, threatened the crew and patient with guns, inspected the vehicle, forcing the crew to transport the woman to Ibn Sina Hospital. 1	Dec. 1st, 2023	Ein Sultan Refugee Camp, Jericho	While covering confrontations in Ein Sultan Refugee Camp in Jericho, the Israeli Occupation forces surrounded the ambulance vehicle with two army vehicles (jeeps), forced the crew out of the ambulance vehicle, performed an inspection inside the ambulance, and forced the crew to leave the location, denying their access to the rest of the casualties.	<p>Denied Access</p> <p>Crew Harassment</p> <p>Attack on Vehicle</p> <p>Patient Harassment</p>
2	Dec. 2nd, 2023	Al Murabaa Checkpoint, Nablus	Upon reaching the location to transport a live ammunition casualty, the Israeli Occupation forces denied the ambulance crew access to the casualty at gunpoint and forced them to evacuate the scene, denying first aid to the injured man.	<p>Denied Access</p> <p>Patient Harassment</p>

				Crew Harassment
2	Dec. 4th, 2023	Qalqilya	On their way to transport a casualty near the local police station, the Israeli Occupation forces stopped the ambulance crew at gunpoint and denied their access to the location of the casualty. Despite taking another road to get to the location, the crew could not reach the casualty due to the heavy presence of the Israeli Occupation around the casualties. An hour later, the Occupation forces withdrew from the area and they had arrested all the casualties except for one , who was a police officer.	Denied Access Crew Harassment Patient Harassment
4	Dec. 5th, 2023	Dheisheh Refugee Camp, Bethlehem	On their way to cover confrontations in Dheisheh Refugee Camp, the Israeli Occupation forces delayed the crew's movement by stopping them, forcing them to turn the ambulance vehicle off as well as the ambulance siren. Total impediment time: 10 minutes	Delayed Movement Attack on Vehicle
5	Dec. 6th, 2023	Balata Refugee Camp, Nablus	On their way to transport a casualty in Balata Refugee Camp, the Israeli Occupation forces delayed the crew's movement by detaining the crew and performing an inspection on the ambulance vehicle.	Delayed Movement Attack on Vehicle Crew Harassment
6	Dec. 6th, 2023	Balata Refugee Camp, Nablus	On their way to cover confrontations in Balata Refugee Camp, the Israeli Occupation delayed the crew's movement by stopping the ambulance vehicle to perform an inspection on the vehicle. Total impediment time: 10 minutes	Delayed Movement Attack on Vehicle
7	Dec. 7th, 2023	Jenin Refugee Camp	While transporting a patient with a heart condition from Jenin Refugee Camp after coordination with the military liaison, the crew's movement was delayed as the Israeli Occupation forces inspected the ambulance vehicle for nearly 20 minutes. The Occupation forces also physically beat one of the crew members. <u>The impediment led to the deterioration of the patient's condition.</u>	Delayed Movement Attack on Vehicle Crew Harassment

				Patient Harassment
8	Dec. 8th, 2023	Hebron	On the way to transport a patient, the crew's movement was delayed as the Occupation forces stopped the ambulance vehicle for inspection. When they managed to put the patient on the stretcher, the Occupation forces stopped the ambulance at gunpoint and hit the car as it moved. Subsequently, a vehicle of settlers attempted to crash into the ambulance vehicle at gunpoint. After a while, at Nabi Younis crossroad, 2 occupation soldiers stopped the ambulance at gunpoint; an army vehicle came through and its soldiers cursed at the ambulance crew, hit the ambulance vehicle with their hands, opened the car doors violently, and took pictures of the ambulance driver while threatening him.	Delayed Movement Attack on Vehicle Crew Harassment Patient Harassment
9	Dec. 11th, 2023	Husan Village, Bethlehem	On their way to transport a patient from Husan village, the Occupation forces delayed the crew's movement as they inspected the ambulance vehicle and physically attacked the crew members by beating them.	Delayed Movement Attack on Vehicle Crew Harassment
10	Dec. 12th, 2023	Jenin FATAL CASE	Due to confrontations taking place in the area (near Al-Qadi Mosque in Jenin), the ambulance crew were forced to walk to receive a live ammunition casualty. On the way to transport the casualty, the Occupation forces detained the ambulance vehicle and told the crew that they are not authorized to move until they bring the casualty's ID. This delay led to the martyr of the casualty the moment they arrived at the hospital,	Delayed Movement Attack on Vehicle Crew Harassment Patient Harassment
11	Dec. 12th, 2023	Jenin Old City	During airstrikes on Jenin (Old City), the crew's access to the cases they had been called for was initially impeded. The Occupation forces forced the crew out of the ambulance vehicle to inspect them and they performed an inspection on the vehicle. Afterwards, after receiving casualties near	Delayed Movement Attack on Vehicle Denied

			Jenin Hospital, the ambulance vehicles were inspected again while the crews and patients were detained and humiliated with profanity. Medical equipment in the ambulances was ruined.	Access Patient Harassment Crew Harassment
12	Dec. 12th, 2023	Jenin Old City	While the crew aided casualties of airstrikes in the Old City, there was a casualty next to the Occupation's army vehicles that had been announced to have been martyred. The crew waited 15 minutes, during which the crew and the ambulance vehicle were inspected, before the Occupation forces allowed them to transport the martyr. The crew and the ambulance vehicle were inspected again upon reaching Jenin Public Hospital.	Delayed Movement Patient Harassment Crew Harassment Attack on Vehicle
13	Dec. 12th, 2023	Jenin	On their way to transport a live ammunition casualty in a critical condition (a live bullet had penetrated his thigh and gone out of his waist), the Occupation forces delayed the movement of the ambulance crew. When the crew managed to transport the casualty, he was bleeding profusely and the Occupation forces refused to allow the ambulance to move before inspecting the casualty and taking his clothes.	Delayed Movement Patient Harassment Attack on Vehicle
14	Dec. 13th, 2023	Salem Military Checkpoint, Jenin	The ambulance crew received a casualty that had been arrested on December 12th, 2023 near Salem Military Checkpoint. When he was released he suffered from shoulder dislocation and the crew transported the casualty to Al-Amal Hospital. Before they could reach the hospital, the Occupation forces stopped the ambulance, forced the crew and the casualty out of the ambulance vehicle, performed an inspection on the crew and the vehicle, physically beat the casualty and arrested him again.	Denied Access Patient Harassment Attack on Vehicle Crew Harassment

15	Dec. 13th, 2023	Jenin	The Occupation forces denied the ambulance crew access to a child suffering from a nervous breakdown, despite coordination with the liaison and the Red Cross. The Occupation forces had also prevented the minor's father from accompanying him and they opened fire at the ambulance vehicle.	<p>Denied Access</p> <p>Patient Harassment</p> <p>Attack on Vehicle</p>
16	Dec. 13th, 2023	Jenin	The ambulance crew was informed of casualties due to the Occupation's targeting of a house with bombs. The house had around 14 people living in it, mostly women and children. The Occupation forces opened fire at the ambulance vehicle and denied the crew access to the casualties despite coordination with the liaison and the Red Cross.	<p>Denied Access</p> <p>Patient Harassment</p> <p>Attack on Vehicle</p>
17	Dec. 14th, 2023	Yamoon Village, Jenin	On their way to Yamoon village to transport 2 casualties due to beatings by the Israeli Occupation, the Occupation forces stopped the ambulance vehicle, forced the crew to turn the engine off, and prevented the crew from getting in contact with the Red Cross. The ambulance vehicle and the crew were also inspected and detained for around 20 minutes.	<p>Denied Access</p> <p>Attack on Vehicle</p> <p>Patient Harassment</p> <p>Crew Harassment</p>
18	Dec. 14th, 2023	Silat al-Harithiya Village, Jenin	On the way to transport a live ammunition casualty, the Occupation forces delayed the crew's access to the casualty. When the crew managed to transport him, the Occupation forces detained the crew and the casualty for around 35 minutes in spite of coordination with the Red Cross and the liaison.	<p>Delayed Movement</p> <p>Crew Harassment</p> <p>Patient Harassment</p>
19	Dec. 17th, 2023	Nur Shams Refugee Camp,	On their way to transport a patient with a heart condition suffering from shortness of breath and rapid heartbeats in Nur Shams Camp, the	<p>Denied Access</p>

		Tulkarm	Israeli Occupation forces denied the medical mission's access to the patient despite coordination with the Red Cross.	Patient Harassment
20	Dec. 17th 2023	Nur Shams Refugee Camp, Tulkarm (SAME CASE AS 11)	After coordination with the Red Cross for the second time to transport the case described in incident 11 above, the Occupation forces forced the ambulance crew out of the ambulance vehicle to perform an inspection of the vehicle. They also took the crew's IDs and this lasted for 25 minutes. The Occupation forces subsequently arrested volunteer Hani Suwwan and removed his vest with the Red Crescent emblem and gave it to the crew. Hani was blindfolded, handcuffed, and taken to the army jeep. The crew was forced to return, meaning their access to the patient was denied again for the second time.	Denied Access Crew Harassment Attack on Vehicle Patient Harassment
21	Dec. 17th, 2023	Nur Shams Refugee Camp, Tulkarm	On their way to transport a live ammunition casualty in a critical condition (head casualty) after coordinating with the Red Cross, the Israeli Occupation forces forced the crew out of the ambulance vehicle to perform an inspection and they checked the crew's IDs, subsequently allowing them to pass. Afterwards, at the entrance of the camp, the Occupation forces attacked the crew and ordered the crew to go back, denying their access to the casualty.	Denied Access Attack on Vehicle Crew Harassment Patient Harassment
22	Dec. 17th, 2023	Jayyus Village, Qalqilya	On their way to transport a casualty in Jayyus, the crew was stopped by the Occupation forces twice and was interrogated once. The Occupation forces forced the crew to leave, but they stayed in a safe area until the Occupation forces left the village. When they subsequently went to look for the casualty, they were informed that the Occupation forces had arrested him.	Denied Access Crew Harassment Patient Harassment

23	Dec. 17th, 2023	Beita Village, Nablus	Upon return to the Beita Ambulance Center, the ambulance crew was surprised with the presence of the Occupation forces at the entrance of the Ambulance Center. The Occupation forces had raided the Center and were moving between the floors. The ambulance crew was informed that the Beita Ambulance Center was announced as a closed military zone by the Occupation forces which no one was allowed to approach.	Attack on PRCS Facility
24	Dec. 20th, 2023	Beit Hanoun Roundabout, Hebron	Right before transporting a casualty, the Occupation police screamed at the crew and threatened them at gunpoint to deny their access to the casualty. After being forced to leave the location, the Occupation forces detained the crew for around an hour before the crew could move back to the ambulance center.	Denied Access Patient Harassment Crew Harassment
25	Dec. 26th, 2023	Nur Shams Refugee Camp, Tulkarm	On their way to transport a glass fragments casualty in Nur Shams Refugee Camp, <u>the Occupation forces denied the crew's access to the location of the casualty in the camp, despite coordination with the Red Cross.</u> The ambulance volunteers dealt with the casualty on the field and gave her the necessary treatment (to ensure her condition is not exacerbated as they could not transport her).	Denied Access
26	Dec. 26th, 2023 (NEW INSPECTION TYPE)	Nur Shams Refugee Camp, Tulkarm	Upon transporting a female patient suffering from a nervous breakdown, <u>the ambulance's movement was delayed as the Occupation forces brought in a female soldier to inspect the patient before she could enter the ambulance vehicle.</u> After the inspection, the patient was transported to Thabet Thabet Hospital.	Delayed Movement Patient Harassment

27	Dec. 27th, 2023	Nur Shams Refugee Camp, Tulkarm	<p>While transporting 3 casualties due to the Occupation's airstrikes on Nur Shams Refugee Camp, the Occupation forces attacked the ambulance vehicle and forced everyone out at gunpoint. The crew was forced to turn the ambulance vehicle engine and lights off and the Occupation forces took their IDs and phones. The Occupation forces then forced the crew to sit on the ground and proceeded to use the crew as human shields as they began to beat the casualties that were being transported—the crew has testified to hearing the casualties screaming in agony.</p> <p>An hour later, the crew was allowed to transport the casualties to Thabet Thabet Hospital.</p>	<p>Delayed Movement</p> <p>Patient Harassment</p> <p>Crew Harassment</p> <p>Attack on Vehicle</p>
28	Dec. 27th, 2023	Nur Shams Refugee Camp, Tulkarm	<p>On their way to transport martyrs and casualties due to the Occupation's airstrikes on Nur Shams Refugee Camp, the crew was detained for around 25 minutes and was subsequently denied access to the camp.</p>	<p>Denied Access</p> <p>Crew Harassment</p>
29	Dec. 29th, 2023	Al-Faraa Refugee Camp, Tubas	<p>While transporting a live ammunition casualty from Al-Faraa Camp, the Occupation forces besieged the ambulance vehicle, forced the ambulance crew to turn the vehicle engine off, and opened the vehicle's doors. There was a companion with the casualty who was beaten by the Occupation forces. The casualty was forced out of the ambulance vehicle and the Occupation forces removed his IV drip to arrest him. The Occupation forces also humiliated the ambulance crew with swearing and profanity and ended up confiscating their work phones and the oxygen cylinder which the patient needed.</p>	<p>Denied Access</p> <p>Patient Harassment</p> <p>Crew Harassment</p> <p>Attack on Vehicle</p>
30	Dec. 31st, 2023	Nur Shams Refugee Camp, Tulkarm	<p>On their way to transport a patient in Nur Shams Camp, the ambulance crew was denied access to the patient and was sent back. The liaison subsequently contacted the crew and informed them that coordination took place for them to finally transport the casualty.</p> <p>Total impediment time: 2:28 hrs.</p>	<p>Delayed Movement</p>

No.	Date	Location	Violation Description	Category and Applicable IHL
1	Jan. 2nd, 2024	Azzun	On their way to transport casualties, the Occupation forces denied the crew's access to the area in which the casualties were present and were threatened at gunpoint.	Denied Access Crew Harassment Patient Harassment
2	Jan. 3rd, 2024	Nur Shams Refugee Camp, Tulkarm	On their way to transport an elderly patient suffering from abdominal pain in Nur Shams Camp (the Occupation forces had announced the area to be a closed military zone), the Occupation forces performed 2 inspections of the ambulance vehicle and the crews and asked the driver to remove his bulletproof vest. Upon reaching the area in which the patient was present, the Occupation forces fired preemptive bullets and forced the crew to go back, denying them access to the patient. <u>This took place in spite of coordination through the ICRC.</u>	Denied Access Crew Harassment Patient Harassment Attack on Vehicle
3	Jan. 3rd, 2024	Qalqilya	On their way to transport a casualty in a critical condition, the Occupation forces led the crew to the casualty and asked them to perform first aid on him. After performing first aid, the Occupation forces ordered the crew not to transport the casualty. The crew waited around 50 minutes before they were finally allowed to transport him.	Delayed Movement Patient Harassment
4	Jan. 4th, 2024	Nur Shams Refugee Camp, Tulkarm	On their way to transport a kidney dialysis patient, the Occupation forces detained the ambulance vehicle and denied the crew's access to the patient by sending them back despite coordination with the ICRC.	Denied Access Patient Harassment Attack on Vehicle

5	Jan. 4th, 2024	Halhul Village, Hebron	On their way to cover confrontations in Halhul, the ambulance vehicle was directly targeted by the Occupation forces with a rubber bullet leading to the breakage of the front window of the vehicle. The broken glass pieces led to the injury of one of the crew members.	Attack on Vehicle Crew Harassment
6	Jan. 5th, 2024	Balata Refugee Camp, Nablus	On their way to transport a casualty in the camp, the ambulance vehicle was directly targeted as the Occupation forces opened fire at the vehicle to prevent the crew's access to the casualty. The crew ended up taking a different road to reach the casualty and were delayed around 15 minutes.	Delayed Movement Attack on Vehicle
7	Jan. 5th, 2024	Balata Refugee Camp, Nablus	On their way to cover the confrontations taking place in Balata Refugee Camp, the Occupation opened fire at the ambulance vehicle to deny their access to the location.	Denied Access Attack on Vehicle
8	Jan. 9th, 2024	Askar Refugee Camp, Nablus	On their way to transport a casualty inside Askar Camp, the Occupation forces denied the ambulance's access to the location of the confrontations and the casualty despite coordination with the ICRC.	Denied Access Patient Harassment
9	Jan. 9th, 2024	Askar Refugee Camp, Nablus	On their way to transport a casualty inside Askar Camp, the Occupation forces opened fire at the ambulance vehicle to deny the crew's access to the casualty.	Denied Access Patient Harassment Attack on Vehicle
10	Jan. 9th, 2024	Old Askar Refugee Camp, Nablus	On their way to transport a casualty inside Old Askar Camp, the Occupation forces denied the crew's access to the casualty and held one of the ambulance crew members at gunpoint.	Denied Access Patient Harassment Crew Harassment
11	Jan. 10th, 2024	Nablus	While attempting to transport a man who had been severely beaten by the Occupation forces, the Occupation forces screamed at the ambulance crew and denied their access	Denied Access Crew Harassment

			to the casualty.	Patient Harassment
12	Jan. 10th, 2024	Nablus	On their way to transport a patient, the Occupation forces attacked the ambulance vehicle, forced the crew to turn the vehicle off, and took the crew's IDs for inspection. The Occupation forces then denied the crew's access to the patient.	Denied Access Crew Harassment Attack on Vehicle Patient Harassment
13	Jan. 10th, 2024	Nablus	When the crew arrived at the location of a man injured in both of his legs with live ammunition, the crew was surprised to find the Occupation forces brutally beating the man and stepping on his injuries. The Occupation forces subsequently got into their army vehicle to leave and deliberately crashed the front of the ambulance vehicle.	Delayed Movement Patient Harassment Crew Harassment Attack on Vehicle
14	Jan. 11th, 2024	Nur Shams Refugee Camp, Tulkarm	On their way to transport a patient with a heart condition in the camp, the Occupation forces delayed the crew's movement for around 40 minutes despite coordination with the ICRC.	Delayed Movement
15	Jan. 13th, 2024	Al-Fara'a Refugee Camp, Tubas	On their way to transport a casualty in the camp, the Occupation forces saw the ambulance vehicle and proceeded to block the road which they were taking. Subsequently, the Occupation forces emerged from their army vehicle and used the ambulance vehicle as a shield as they opened fire. The ambulance crew drove away only for the Occupation forces to follow them, inspect the ambulance vehicle and detain them for 20 minutes.	Delayed Movement Crew Harassment Attack on Vehicle

16	Jan. 13th, 2024	Al-Faraa Refugee Camp, Tubas	On their way to deal with a live ammunition casualty, the Occupation forces blocked the ambulance's road, inspected the vehicle, and delayed the crew for 15 minutes.	Delayed Movement Attack on Vehicle
17	Jan. 13th, 2024	Al-Faraa Refugee Camp, Tubas	While transporting a live ammunition casualty from Al-Faraa camp, the Occupation forces stopped the ambulance vehicle, forced the crew to step out and yelled at them, confiscated their phones and performed an inspection. The crew was allowed to move after being detained for 15 minutes.	Delayed Movement Crew Harassment Attack on Vehicle
18	Jan. 13th, 2024	Arrabeh Village, Jenin	Upon arriving at the location of a live ammunition casualty, the Occupation forces denied the crew's access to provide first aid to the casualty and to transport him despite the fact that he was bleeding.	Denied Access Patient Harassment
19	Jan. 14th, 2024	Beit Hanoun, Hebron	On the crew's way back from dealing with a patient, the Israeli Occupation forces stopped the ambulance vehicle, forced the crew to turn off the engine, performed an inspection and damaged some of their medical equipment.	Attack on Vehicle
20	Jan. 15th, 2024	Jbara Checkpoint, Tulkarm	The crew was directed to Jbara Checkpoint to receive the corpse of a martyr; the Occupation forces made the crew wait for around an hour and 40 minutes before handing the corpse to the crew and allowing them to transport.	Delayed Movement
21	Jan. 17th, 2024	Nablus	On their way to cover confrontations after receiving news of the Occupation's shelling of a civilian vehicle. Upon arriving at the location to search for casualties, the Occupation forces denied the crew's access and opened fire directly at the crew.	Denied Access Crew Harassment

22	Jan. 17th, 2024	Nablus (SAME CASE AS ABOVE, DIFFERENT VEHICLE AND CREW)	On their way to cover confrontations after receiving news of the Occupation's shelling of a civilian vehicle. Upon arriving at the location to search for casualties, the Occupation forces denied the crew's access and opened fire directly at the crew.	Denied Access Crew Harassment
23	Jan. 18th, 2024	Tulkarm Refugee Camp WOMEN'S RIGHTS ISSUE	On their way to transport a woman in labor from Tulkarm Refugee Camp, the Occupation forces initially denied the crew's access to the woman, and the crew had to discuss with the soldiers to transport her. After coordination with the ICRC, the crew was able to transport the woman to Thabet Thabet Hospital. Total impediment time: 40 minutes	Delayed Movement Patient Harassment
24	Jan. 18th, 2024	Tulkarm Refugee Camp	On their way to transport a live ammunition casualty (stomach), the Occupation forces initially denied the crew's access to the casualty. After coordinating with the ICRC, the crew was allowed to transport him to Thabet Thabet hospital. Total impediment time: 40 minutes	Delayed Movement Patient Harassment

No	Date	Location	Violation Description	Category and Applicable IHL
1	Apr. 8th, 2024	Tayaseer Checkpoint, Tubas (MURDER)	On their way to transport a girl who sustained a critical live ammunition casualty, the Occupation forces denied the ambulance crew's access to transport her despite coordination with the ICRC. As a result of this denial, the girl bled to death.	Denied Access Patient Harassment
2	Apr. 12th, 2024	Al-Faraa Refugee Camp, Tulkarm	Attempting to transport a patient in the camp, the Occupation forces screamed at the crew and opened fire at the ambulance vehicle nearby the ambulance driver, causing damage to the car body, and denied the access of the crew to the patient.	Denied Access Patient Harassment Crew Harassment Attack on Vehicle

3	Apr. 12th, 2024	Al-Faraa Refugee Camp, Tulkarm	While covering confrontations in the camp, the Occupation forces forced the ambulance crew out of the ambulance vehicle, beat the 3-man crew, and inspected them. The Occupation forces also brutally beat one of the volunteers and detained him for nearly an hour and a half.	Crew Harassment
4	Apr. 12th, 2024	Al-Faraa Refugee Camp, Tulkarm	While covering confrontations in the camp, the Occupation forces forced the crew out of the ambulance vehicle <u>and performed a humiliating inspection on one of the ambulance volunteers for nearly 30 minutes, during which he was forced to take his clothes off.</u> The crew was subsequently detained for around an hour and a half while being forced to keep their hands up.	Crew Harassment
5	Apr. 13th, 2024	Duma Village, Nablus	On their way to cover confrontations taking place in the village which resulted in casualties due to attacks by settlers, the Occupation forces initially denied the crew's access to the village. After coordinating with the ICRC, the Occupation allowed the crew to enter the village. Total impediment time: 2 hours	Delayed Movement Patient Harassment
6	Apr. 13th, 2024	Duma Village, Nablus	While covering confrontations in the village, the Occupation forces attacked the ambulance vehicle and hit it with their weapons, leading to the shattering of the front windshield's glass. The Occupation forces also attempted to assault the crew.	Crew Harassment Attack on Vehicle
7	Apr. 13th, 2024	Mughayyer Village, Ramallah	While transporting a live ammunition casualty (bleeding profusely) from Mughayyer, there were Occupation forces present in Turmosayya village on their way to Ramallah; they stopped the crew, detained the vehicle, forced the ambulance driver to step out of the vehicle, and performed an inspection leading to 13 minutes of impediment.	Delayed Movement Patient Harassment Crew Harassment Attack on

				Vehicle
8	Apr. 13th, 2024	Sinjel Village, Ramallah	While transporting a live ammunition casualty from Mughayyer village, midway through the road at the entrance of Sinjel village, the Occupation forces stopped the crew and performed an inspection on the ambulance vehicle.	<p>Delayed Movement</p> <p>Patient Harassment</p> <p>Attack on Vehicle</p>
9	Apr. 14th, 2024	Zatara Checkpoint, Nablus	On the crew's way from Ramallah to Bidya nearby Zatara checkpoint, Israeli settlers attacked the ambulance vehicle by throwing rocks violently which led to the siren of the vehicle to break.	<p>Crew Harassment</p> <p>Attack on Vehicle</p>
10	Apr. 14th, 2024	Tubas	On their way to cover confrontations in Ein Al-Bayda village in Tubas, the Occupation forces forced the crew to turn off the ambulance vehicle and to step out, confiscated the keys and phones, and detained one EMS volunteer (his detention lasted 2 days). After 3 and a half hours of detaining the ambulance vehicle, the Occupation forces allowed the crew to go back to the ambulance without reaching their mission.	<p>Denied Access</p> <p>Crew Harassment</p> <p>Attack on Vehicle</p>
11	Apr. 19th, 2024	Nur Shams Refugee Camp, Tulkarm INJURY	On their way to transport a casualty in the camp (he happens to be a PRCS ambulance volunteer), the Occupation forces stopped the crew, forced them out of the ambulance vehicle and inspected it, pinned them on the wall to inspect them, and then denied their access to the camp.	<p>Denied Access</p> <p>Patient Harassment</p> <p>Attack on Vehicle</p> <p>Crew Harassment</p>

1	June 2nd, 2024	Beita Village, Nablus	After transporting a patient to Rafidia Hospital in Nablus, the ambulance team attempted to head back to Beita through Awarta Checkpoint but the Occupation forces denied their movement and sent them back. Afterwards, the ICRC was contacted for coordination but there were no arrangements for movement; a private ambulance was allowed to pass while the PRCS one was denied access and sent back.	Denied Access
2	June 3rd, 2024	Deir Al-Hatab Village, Nablus	On their way to transport a casualty during confrontations, the Occupation forces denied the ambulance team's access to the patient.	Denied Access Patient Harassment
3	June 3rd, 2024	Nitzanei Oz/Gashouri Checkpoint, Tulkarm	On their way to transport a live ammunition casualty, the Occupation forces denied their access at the checkpoint multiple times and shined laser lights at the team.	Denied Access Patient Harassment

4	June 3rd, 2024	Nablus	While dealing with a patient, the Occupation forces got into the ambulance vehicle and moved it from its location.	Attack on Vehicle
5	June 5th, 2024	Khirbat Al-Tayyah Village, Tulkarm	Attempting to transport a casualty from a besieged house in the village, the Occupation forces denied the crew's access to the casualty multiple times and detained him for a few minutes despite coordination with ICRC.	Denied Access Patient Harassment
6	June 6th, 2024	Jenin (MURDER)	The Occupation forces denied the access of the ambulance team to provide first aid and to transport 2 casualties in a critical condition by opening fire near the ambulance vehicle. This denied access led to the death of the casualties.	Denied Access Patient Harassment Attack on Vehicle
7	June 9th, 2024	Al-Muraba'a Checkpoint, Nablus	While transporting a critical condition casualty from Urif Village through the checkpoint, the Occupation forces detained the ambulance vehicles for 20 minutes, took pictures of the casualty with their phones, and inspected him. Total impediment time: 20 minutes	Delayed Movement Patient Harassment Attack on Vehicle
8	June 9th, 2024	Al-Muraba'a Checkpoint, Nablus	On their way to cover confrontations in Urif village through the checkpoint, the Occupation delayed the crew by forcing them out of the ambulance vehicle and taking pictures of their IDs. Total impediment time: 20 minutes	Delayed Movement Crew Harassment
9	June 9th, 2024	Awarta and Al-Muraba'a Checkpoint, Nablus (2 locations, 1 incident)	The ambulance vehicle was detained at Awarta despite transporting a casualty in a critical condition (pelvic bleeding). The Occupation forces forced the crew to turn off the vehicle which also obstructed the function of some of the necessary medical devices tied to the casualty. 35 minutes later, the Occupation forces sent the ambulance	Delayed Movement Patient Harassment Attack on Vehicle

			<p>back from Al-Muraba'a where they faced heavy traffic and yet another detention for 20 minutes as the Occupation forces inspected the vehicle and took pictures of the casualty.</p> <p>Total impediment time: 55 minutes</p>	
10	June 10th, 2024	Tulkarm Refugee Camp	<p>Arriving at the location of a live ammunition casualty, the Occupation forces fired preemptive bullets to deny the access of the ambulance team to the casualty.</p>	<p>Denied Access</p> <p>Patient Harassment</p>
11	June 10th, 2024	Al-Faraa Refugee Camp, Tubas (INJURY)	<p>As a volunteer attempted to give first aid to a casualty, the Occupation forces stopped him, brutally beat him, inspected him, confiscated his first aid kit, tore his distinctive emblem from his clothes, and confiscated his protective gear.</p>	<p>Denied Access</p> <p>Patient Harassment</p> <p>Crew Harassment</p>

No	Date	Time Stamps	Location	Violation Description	Category and Applicable IHL
1	Sep. 2nd, 2024	11:15 to 12:45	Tulkarm Refugee Camp	After receiving the report of the presence of an elderly patient inside the camp, coordination had to be made for a rickshaw to transport her due to the Occupation's destruction of the streets impeding ambulances. The process delayed her transport by an hour and a half.	Delayed Movement Patient Harassment

2	Sep. 2nd, 2024	12:09 till 12:31	Al-Salam Roundabout, Tulkarm	On their way to transport reported injuries due to the Occupation opening fire at a vehicle, the Occupation forces denied the crew's access to the location of the incident. After the Occupation forces cleared the area, it was found that there were no injuries after all.	Denied Access
3	Sep. 3rd, 2024	22:57 till 23:19	Thabet Thabet Hospital, Tulkarm	Transporting young men that had been beaten by the Occupation forces, the Occupation forces stopped them at the entrance of the hospital, forced the crew and the patients to step out, and took the patients' IDs for inspection. Afterwards, the Occupation forces allowed them to enter the hospital; however, they continued to hold 2 of the patients to continue inspecting them.	Delayed Movement Patient Harassment Crew Harassment
4	Sep. 4th, 2024	03:13 till 03:38	Tulkarm Refugee Camp	After receiving reports of patients suffering from suffocation inside the camp, the crew embarked on a coordinated mission to transport the patients alongside the civil defense (fire department). The crew and the civil defense were stopped at the entrance of the camp for inspection for 25 minutes before the Occupation forces allowed them to enter. During the inspection, the Occupation forces forced the crew to step out of the ambulance and took their IDs.	Delayed Movement Patient Harassment Crew Harassment
5	Sep. 4th, 2024	23:10 till 23:30	Thabet Thabet Hospital, Tulkarm	While transporting 4 patients suffering from suffocation due to a fire inside Tulkarm Refugee Camp, the Occupation forces stopped the crew at the entrance of Thabet Thabet Hospital. The Occupation forces requested the	Delayed Movement Patient Harassment

				IDs of the patients (they didn't have them) and interrogated one of the patients before allowing them to enter the hospital.	
6	Sep. 4th, 2024	17:35 till 18:44	Ein Sinya Village, Ramallah	On their way to Tulkarm, the Occupation forces stopped the two-man crew and asked the ambulance driver to turn the engine off. The driver explained that the engine was too hot to turn off, and the Occupation forces responded with brutality. They turned the engine off, confiscated the keys, handcuffed the EMTs, and brutally beat them. They arrested one of them and let the driver go.	Crew Harassment
7	Sep. 5th, 2024	01:40 till 02:20	Al-Faraa Refugee Camp, Tubas	On their way to transport a live ammunition casualty, the Occupation forces denied the crew's access to the casualty multiple times and forced the crew to leave the area. The Occupation forces proceeded to open fire at the casualty before using him as a human shield on their bulldozer and taking him to an unknown location.	Denied Access Patient Harassment
8	Sep. 9th, 2024	16:13 until 17:21	Tulkarm	The Occupation forces besieged the PRCS Tulkarm EMS Center forcing all the EMTs to remain inside, performed a thorough inspection of the center while the EMTs' IDs remained confiscated. Afterwards, the Occupation forces interrogated some EMTs and detained 2 of them for 3 hours.	Crew Harassment Attack on Facility
9	Sep. 10th, 2024	14:35 till 16:05	Tulkarm Refugee Camp	On their way to transport a martyr from the camp, the Occupation forces delayed the crew for an hour. Upon	Delayed Movement

				transporting him, the Occupation forces delayed them another half hour.	
10	Sep. 10th, 2024	14:55 till 15:55	Tulkarm Refugee Camp	On their way to deal with an unconscious patient inside the camp, the Occupation forces held the crew at gunpoint, screamed at them and forced them to leave, denying their access to the patient.	Denied Access Patient Harassment Crew Harassment
11	Sep. 10th, 2024	18:10 till 18:25	Tulkarm Refugee Camp	On their way to transport an elderly patient suffering from high blood pressure, the Occupation forces fired preemptive bullets on the ground in front of the ambulance to deny the crew's access to the patient.	Denied Access Patient Harassment
12	Sep. 10th, 2024	19:00 till 19:35	Tulkarm Refugee Camp	On their way to transport a patient inside the camp, the Occupation forces fired preemptive bullets on the ground in front of the ambulance to deny the crew's access to the patient. After some time, the crew slowly advanced towards the patient and successfully transported her to Thabet Thabet Hospital.	Delayed Movement Patient Harassment
13	Sep. 10th, 2024	N/A	Tulkarm Refugee Camp	Due to the number of cases present inside the camp, a two-man team in a DRM vehicle alongside an ambulance were sent to support a rickshaw that was dispatched to evacuate patients. Upon arrival at the location within the camp, the Occupation forces detained the two-man team, blindfolded them, beat them, and handcuffed them; this situation remained for over 17 hours before they were released. During this time they were deprived of food, drink, and access to a toilet.	Crew Harassment

				The ambulance team was also arrested but released 19 hours later.	
14	Sep. 11th, 2024	16:00 until 18:07	Tulkarm Refugee Camp	After coordination with the ICRC for the crew to enter the camp to transport a patient, the Occupation forces detained the ambulance and the crew for over 2 hours. Despite a second coordination taking place, the crew was not allowed to transport the patient and was sent back from the camp.	Denied Access Crew Harassment Patient Harassment
15	Sep. 12th, 2024	06:00 until 15:00	Tulkarm Refugee Camp	On their way to transport a deceased patient from the camp, the Occupation forces delayed the crew for 9 hours despite coordination with the ICRC.	Delayed Movement
16	Sep. 12th, 2024	19:05 until 19:25	Tulkarm Refugee Camp	The Occupation forces denied the crew's access to transport a patient from inside the camp despite coordination with the ICRC.	Denied Access Patient Harassment
17	Sep. 12th, 2024	10:30 until 12:20	Tulkarm Refugee Camp	Despite coordination with the ICRC twice in a row, the Occupation forces initially denied the crew's access to a sick patient inside the camp. The Occupation forces forced the patient to walk outside of the camp in order for the crew to transport her.	Delayed Movement Patient Harassment
18	Sep. 12th, 2024	14:30 until 15:00	Thabet Thabet Hospital, Tulkarm	Upon arrival at the entrance of Thabet Thabet Hospital while transporting a 4-year-old girl, the Occupation forces delayed the crew for 30 minutes. After coordination with the ICRC, the crew was allowed to enter the child into the hospital.	Delayed Movement Patient Harassment
19	Sep. 18th, 2024	01:58 until 02:55	Amman Street, Nablus	On their way to clear a sick child from the area, the Occupation forces assaulted the crew by	Delayed Movement

				beating them and humiliating them with profanity to deny their access. After coordination with the ICRC, the crew was able to clear the child to Rafidia Hospital.	Patient Harassment Crew Harassment
20	Sep. 24th, 2024	00:00 till 00:20	Bethlehem	Attempting to respond to injuries due to a car accident, the Occupation forces assaulted an EMT by beating and pushing him and asked him to leave the scene.	Denied Access Patient Harassment Crew Harassment
21	Sep. 29th, 2024	07:00 till 10:00	Aqqaba Village, Tubas	Upon arrival at a besieged home in the village with a casualty inside, the Occupation forces denied the access of the crew to transport the casualty while holding them at gunpoint.	Denied Access Patient Harassment Crew Harassment
22	Sep. 29th, 2024	07:00 till 08:38	Aqqaba Village, Tubas	While transporting a casualty, the Occupation forces initially arrested the casualty from the ambulance vehicle. Around 2 hours later, the Occupation forces released the casualty and the crew successfully transported him.	Denied Access Patient Harassment
